The scholastic population for San Angelo, as the census now completed shows, is about 925, in the proportion of about 700 white children, 125 Mexican and 100 negroes.—Fort Worth Register.

The state educational department has announced that there were 6000 teachers in attendance upon the ninety-six normals now in session, being the largest attendance ever known.—Fort Worth Register.

A crack team of polo players from Mexico will be here for the San Antonio fair next October and will engage in a series of international polo games with a crack team of San Antonio's best players.

W. R. Parker of the state department stated recently that he had already issued about 6000 commissions for notaries throughout the state and that he will complete his work by July 1.—Fort Worth Register.

The residence of John Downing at Bonham, Texas, was fired Monday owing to the use of coal oil to start a fire. One child was burned to death and another so injured that it is not expected to live.—San Antonio Light.

The tenth summer, normal of the Tarrant County Teachers' association was organized by County Superintendent D. J. McRea at the Polytechnic college; thirty teachers of this and adjoining counties enrolled.—Houston Post.

H. L. Bentley has now growing 148 varieties of grasses and forage plants at his home in Abilene. They are from many parts of the world, some from Africa, some from Australia, some Hindustan and some from the arid regions of our own country.—Ex.

There was an election in Austin Monday to determine the proposition of the issuance of \$50,000 bonds for the purpose of building a new high school. It took a two-thirds vote to carry. The proposition carried by a small majority and the bonds will be issued.—Ex.

There is considerable commotion in Galveston among the professors in the medical college at the intimation that their salaries may be reduced. Some will resign rather than submit to a cut. The legislature's appropriation is \$7000 short of last year's, and either the salaries must be reduced or certain positions abolished.—Ex.

The cotton seed oil mill men of Texas have put themselves on record as opposed to combinations and contrivances in commerce and manufactures as dangerous to the interests of the people and hurtful to the country. Therefore the Texas Cotton Seed Crushers' association pledges its earnest support to the anti-trust laws of this state, which it indorses and approves.—San Antonio Express.

Grasshoppers are reported to be destroying crops in portions of Coconino county.—Ex.

The girls of Phoenix are now wearing gaily colored shirt waists and bonnets that shames the noonday sun. As a consequence the Tucson Star asserts

that the girls of Phoenix are brilliant at both ends. Such would seem to be the case.—Bisbee Orb.

Territorial Treasurer T. W. Pemberton and family are settled in Prescott.—Tucson Citizen.

Next month Judge Davis will hold the first term of the district court of Santa Cruz county at Nogales.—Ex.

Joseph Terrell who has just been acquitted of the charge of killing Henry Marquard of Pearce, has settled in Bisbee.—Ex.

The work of taking down the Presbyterian church is being pushed ahead. The church will be moved to Clifton.—Ex.

The tramp dogs at Phoenix are being sent to kingdom come in large numbers by the official dog killer.—Phoenix Herald.

Two Mexicans who murdered a brother countryman near Temple last Tuesday have been captured and are in jail at Phoenix.—Ex.

The Santa Fe, Prescott and Phoenix railroad are preparing to build a bridge over Hell canyon, to cost about \$300,000.—Prospector.

E. G. Frankenburg, one of the pioneers of Arizona, was dragged to death by a horse the other day at his ranch near Tempe.—Prospector.

A charter has been taken out for a company which proposes to build a narrow-gauge railway between Phoenix and Globe.—Prospector.

The forest fire that has been burning in the Huachuca for several weeks has been extinguished by the rains of the past few days.—Bisbee Orb.

A Grand army post has been organized at Jerome with a membership of 26 and with General Minty as post commander.—Journal Miner.

The normal school building at Flagstaff is receiving the inside finishing and when completed will be one of the handsomest and most substantial structures in Arizona.—Tucson Citizen.

Mess is discussing the project of starting a creamery at the cost of from \$10,000 to \$16,000. A mass meeting will be held in that city and steps taken for the furtherance of the cause.—Ex.

J. L. Harvey, who was indicted by the recent United States grand jury for cutting timber on government land, gave bonds at Prescott in the sum of \$500 for his appearance for trial.—Bisbee Orb.

The big dredger in Arizona canal and river continues to remove dirt at an expense of 5 cents per cubic yard or \$25 a day. The canal had been cleaned about 1400 feet from the head.—Bisbee Orb.

The city of Phoenix has recovered judgment against the bondsmen of the defaulting ex-city assessor and tax collector A. A. Long, for \$4,647.09 with interest at 7 per cent from July 1, 1899.—Tucson Citizen.

The Gila county authorities have succeeded in selling thirty territorial funding bonds, amounting to nearly \$30,000 to Laidlow & Co. of New York and will at once begin the redemption of county warrants.—Phoenix Herald.

A petition is being circulated among the mines protesting against the action of the restaurant people in raising the price of board, and setting forth that if this move is carried into effect they will cease to board where they have to pay \$1 a day.—Ex.

An Arizona boy Lieutenant Charles B. Drake of the Fifth U. S. cavalry who is now at San Juan, Porto Rico will be promoted. Mr. Drake graduated from West Point with high honors. He is well known in Tucson where his parents reside.—Prospector.

"Susie" Wilson, who murdered a man at Wickenburg some time ago, has been sentenced to fifteen years in the penitentiary. For a most cold-blooded murder committed at a Copper Basin some years ago, he received a life sentence, but was released at the end of four years.—Journal Miner.

The rumor reaches Tucson that at an early date the sale of liquors at all Southern Pacific hotels will be discontinued. This has been the rule throughout California for some time, and it is expected that the order will reach Tucson and other points on the Southern Pacific throughout Arizona about July 1st.—Ex.

Duncan McIntyre, an Arizona pioneer and former resident of Tombstone, died at the Soldiers Home at Santa Monica on June 22nd. McIntyre was a member of a Co-1st Colorado cavalry during the war, and was admitted to the Soldiers Home from Tombstone on March 27, 1893. He was aged 73 years.—Ex.

While J. F. Wilcox, of Buckeye and his hired man were out in the field Thursday last fire started in the corner of a brush shed and it was only the work of a few moments until everything was burned. Among other losses valuable papers and letters were burned. There was nothing saved.—Phoenix Herald.

On the 12th of this month two Mexicans by the name of Fanistano Ramirez and Santiago Montano, while bathing in Silver Creek, became involved in a quarrel and started off for the bank to settle the difficulty. During the fight that ensued Ramirez stabbed Montano twice in the breast and once in the groin with a pocket knife. The wounded man is in a critical condition.

Temperature at Cloudcroft, N. M., 107 miles northeast of El Paso, at 11 O'clock this A. M. was - - - - - 65 Degrees.
At El Paso, same hour - - 88 Degrees.

Neighbor- hood Notes.

Texas.

Ground has been broken for a round bale compress at Greenville.—Ex.

Rev. Briggs has just closed a revival meeting in Elgin which did much good.—Ex.

County commissioners of Lampasas county have ordered two steel bridges sixty feet long.—Ex.

The Waco summer normal opened at Add-Ran university Monday with a good attendance.—Ex.

Amarillo wants people to investigate the commercial and industrial resources of the town.—Ex.

There are 70 enrollments in the Beeville summer normal, the largest on record.—San Antonio Light.

The Southwestern Telephone and Telegraph line is completed between Denton and Fort Worth.—Ex.

The comptroller's department Monday registered an issue of \$3000 city of Bonham waterworks bonds.—Ex.

Sheriff John W. Baker of Waco is searching for the negro who stabbed another to death in that city Saturday.—Ex.

Oil has been struck four miles north of Corsicana, thus very considerably enlarging the producing territory.—Ex.

During the fight that ensued Ramirez stabbed Montano twice in the breast and once in the groin with a pocket knife. The wounded man is in a critical condition.

Ramirez has disappeared. A warrant for his arrest was sworn out before Justice Hatch, but the fugitive has not yet been captured.—Holbrook Argus.

The Santa Fe company, the Winslow Mail says, is putting up a six hundred ton ice house at this place. We are informed they also propose to build a new freight depot on the north side of the yards. This will be much more convenient for our business men, as there will be no track to cross in getting to or from the depot with freight.—Phoenix Herald.

According to the Sentinel the red man at Yuma is not so far behind the times as his appearance would indicate. There are quite a number of Indians employed by the contractors in the construction of the Gandolfo block and the first part of last week they went on a strike demanding a raise of twenty per cent. The raise was granted and Poor Lo took up his burden.—Exchange.

They do it in a hurry at Arizona. At Prescott the other day, when Cleveland was tried for murder, twenty-nine jurors were drawn at 1:45 p. m., twelve of them were chosen, six witnesses were examined and defense men, prosecution and defense, arguments for jury brought in a verdict of murder in the second degree at 5 p. m. The penalty is not less than ten years nor more than life.—Orb.
